

# SUZN QUILTS... Yet Another 12 Days of Christmas Day 6

## Sewing Machine Block

### Cutting

#### Background fabric

Cut 1 rec. 6 1/2" x 6 1/2".

#### Make & Appliqué The Sewing Machine

Trace the sewing machine, below, onto freezer paper. (Do not add seam allowance). Press wax side of template to wrong side of fabric. Cut out template with 1/4" seam allowance. With Roxanne™ or other fabric glue, glue seam allowance to paper side of template. Appliqué Bars make this task much easier!

Align then glue edges only of sewing machine to background fabric.

Appliqué the sewing machine the same way previous blocks were stitched with thread matching sewing machine fabric.

Carefully cut slit in bkgd. fabric behind sewing machine. Dampen the appliqué shape. Let it rest a few minutes then remove the paper template. A slight pull diagonally on the block will release the paper. Let the block dry, then press it again with Mary Ellen's Best Press. Pressing wet blocks will distort them!

Block should measure  
6 1/2" x 6 1/2".  
Make 1 sewing machine block.
