Put the left side background with the tree triangle.

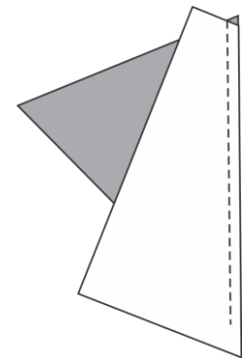

Put background right sides together on tree.

Rotate 180 degrees.

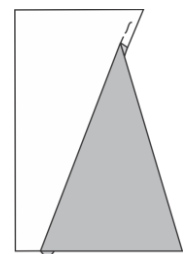

Offset the pieces as shown so at the top, the scant 1/4" seam will align with the "ditch" created.

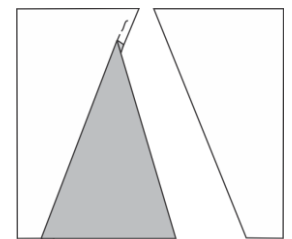

Sew the seam, stopping just past the edge of the top of the tree triangle.

Chain piece for quicker sewing!

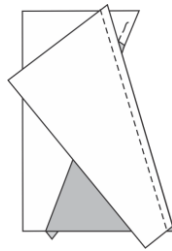

Press the seam as sewn, then **toward the tree** fabric as shown.

Put the right side background with pressed tree.

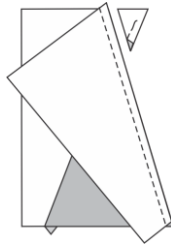

Align right sides together as before, this time centering the background triangle, so the scant 1/4" seam will align with the "ditch" created.

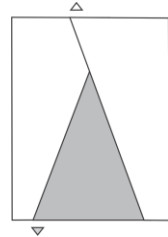

Sew the seam.

Trim excess fabric on this seam to 1/4".

Press the seam as sewn, then **away from the tree** fabric.

Trim small triangles at top & bottom edges of block.

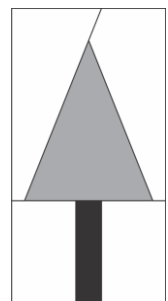

This unit should measure 3 1/2" x 4 1/4".

Sew the black 1" x 2 1/2" trunk rec. between 2 cream 1 3/4" x 2 1/2" recs. Press seams as sewn, then toward trunk.

Sew the trunk unit onto the tree to complete the block. Press seam as sewn, then toward top of tree. Block should measure 3 1/2" x 6 1/4".

Make 1.

Make The Tiny Heart Blocks

Sew a 1" cream fabric sq. to a 1" purple fabric sq. Press seam toward purple sq.

Make 8.

Sew a 1" x 1 1/2" matching purple fabric rec. to this unit. Press seam open.

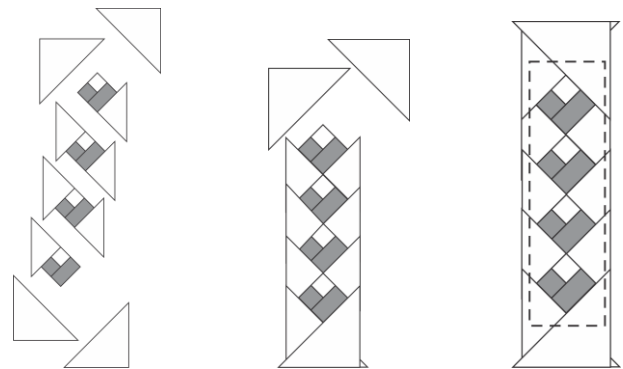

Make 8.

Assemble The Quilt

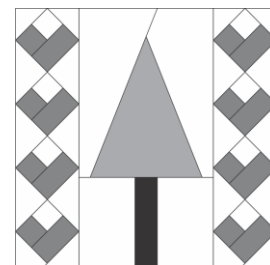

Sew heart blocks into rows with cream triangles as shown below. Twice cut (smaller) triangles are sewn onto sides of rows & once cut (larger) triangles are sewn onto corners.

Note: triangles were cut over-sized & will be trimmed after assembling the quilt.

Make 2 heart strips. Trim them to 2" x 6 1/4", being careful to trim approx. 1/4" outside of hearts.

Sew the Tiny Tree Block between the 2 heart strips.

Layer quilt with backing & batting. Quilt as desired.

Sleeve: Press under 1/2" on each end of sleeve rec. Fold & press to 1" x 4". Center 4" raw edge on top of quilt back. Baste in place.

Bind quilt & hand stitch bottom of sleeve in place. Add label then hang on Ackfeld 6 x 6 Scroll Stand #88017. Find them at SuznQuilts.com.
